**ACT ONE**

04.14.06 HAMMOND- The forensic team found nothing at her house. According to one of the neighbors, Major Carter got into her car and left around eight-thirty Saturday morning.

04.21.01 O'NEILL- That's over forty-eight hours.

04.23.22 DANIEL- The police found Sam's car in a parking lot outside a fitness club twelve blocks from her house.

04.29.05 O'NEILL- Anything else?

04.30.18 DANIEL- No witnesses.

04.34.07 HAMMOND- We have no jurisdiction outside this facility, Colonel.

04.37.26 O'NEILL- I know. We can still look, can't we?

04.57.13 CARTER- (STRUGGLING)

05.11.04 DOCTOR #1 (OS)- Good...

DOCTOR #1 (CONT)- morning, Major.

05.12.16 CARTER- What's going on? Where am I?

05.14.01 DOCTOR #2- In a hospital.

05.15.20 CARTER- What happened?

05.16.27 DOCTOR #1- We just need to run a few tests.

05.19.01 CARTER- What tests? Why am I restrained? No, stop! No!

CARTER (CONT)- (STRUGGLING)

05.34.21 HOMELESS MAN (OS)- Feet, I said! Look at these feet. Feet like that...huge!  
HOMELESS MAN (CONT)- Never trust a man with feet that big.

05.44.17 O'NEILL (OS)- Hi there.

05.47.00 HOMELESS MAN- Go away. This is my stuff.

05.50.18 O'NEILL- I just want to ask you a couple questions.

05.54.00 HOMELESS MAN- You got a dollar?

05.57.06 O'NEILL- Here's two.

05.59.16 HOMELESS MAN- Thanks.

06.01.28 O'NEILL- Were you around here Saturday?

06.04.03 HOMELESS MAN- Why should I tell you?

06.07.05 O'NEILL- I gave you two dollars?

06.08.19 HOMELESS MAN- Oh, I thought you were just being generous.

06.13.11 O'NEILL- How generous do I have to get?

06.22.20 HOMELESS MAN- You a cop?

06.23.22 O'NEILL- Air force. Colonel Jack O'Neill.

06.27.12 HOMELESS MAN- I was in Nam.

06.29.05 O'NEILL- Yeah? What company?

06.30.14 HOMELESS MAN- Oh, vacation. Long time ago.

06.37.14 O'NEILL- Uh, a friend of mine disappeared from around here on...  
O'NEILL (OS CONT)- Saturday morning. A woman, about...  
O'NEILL (CONT)- five nine-ish, blonde.

06.47.00 HOMELESS MAN- You wouldn't believe me if I told ya.

06.50.04 O'NEILL- Why not?

06.51.22 HOMELESS MAN- I'm just a crazy old guy with a shopping cart full of cans.

06.58.07 O'NEILL- I'm just a cynical Air Force guy with a closetful of *National Geographics*.

07.04.13 HOMELESS MAN- Can I have 'em?

07.08.02 O'NEILL- What do you know?

07.10.07 HOMELESS MAN- She was feisty. Put up a fight.

07.13.24 O'NEILL- With whom?

07.15.05 HOMELESS MAN- Ninjas. Three, maybe...

HOMELESS MAN (OS CONT)- four. Happened fast. They...

HOMELESS MAN (CONT)- pulled up in a white van, grabbed her. I've been telling the police about ninjas for years. You think they listen?

07.30.04 O'NEILL- Right. Okay. Thanks.

07.38.02 HOMELESS MAN- You're, you're gonna bring me them magazines, right?

07.42.01 O'NEILL- You bet.

07.49.22 DANIEL (OS)- So you think Maybourne's a fan of Godzilla movies?

07.53.01 O'NEILL- He strikes me more as a Mothra guy.

07.56.28 DANIEL- Don't get it.

- 07.58.11 O'NEILL- NID agents use these sites to post coded messages. If I know Maybourne, he's keeping tabs on his old buddies.
- 08.05.27 DANIEL- Okay, what kind of message you want to send?
- 08.08.23 O'NEILL- Make it, "Hutch, we need to talk." Sign it Starsky. He'll understand.
- 08.32.13 DOCTOR #2 (OS)- We got the first...  
DOCTOR #2 (CONT)- blood test back. You're gonna wanna see this. We found an unusual protein marker, as well as traces of an unidentified heavy metal.
- 08.41.10 DOCTOR #1- What do you mean, unidentified?
- 08.43.02 DOCTOR #2- Nothing I've ever seen before.
- 08.45.23 DOCTOR #1- We better double-check these results with the lab in Phoenix.
- 08.50.21 CARTER- (SIGHING, STRUGGLING)
- 08.57.10 DOCTOR #1- She's strong. I gave her enough Chloral Hydrate to put down a man twice her size.  
DOCTOR #1 (OS CONT)- Alright, Major.
- 09.11.15 CARTER (OS)- (SIGHING)

09.43.28 MAYBOURNE- Hi, Jack.

MAYBOURNE (OS CONT)- Don't turn around.

09.53.02 O'NEILL- Harry. Where you been? You never write, you don't call.

10.00.07 MAYBOURNE- I have a gun.

10.02.12 O'NEILL- So do I.

10.03.19 MAYBOURNE- I'm just trying to protect you. I'm a wanted criminal. It's your duty to  
arrest me, you know.

10.08.10 O'NEILL- Always thinking of the other guy. How'd you find me?

10.13.02 MAYBOURNE- I played a lot of hide-and-seek as a kid. It's funny, I could always find  
anyone, anywhere but they could never find me.

10.20.15 O'NEILL- Because they didn't want to.

10.22.25 MAYBOURNE- What do you need, Jack?

10.25.21 O'NEILL- Carter's missing.

10.28.15 MAYBOURNE- Really?

10.29.15 O'NEILL- Bunch of guys in a van took her out of this lot about four days ago. I figured it might be some of your old friends.

10.35.10 MAYBOURNE- Not the word I'd use for them.

10.38.08 O'NEILL- What do you know?

10.40.18 MAYBOURNE- Sorry.

10.43.28 O'NEILL- You didn't come back into this country and risk execution just to see me.

10.48.25 MAYBOURNE- God knows I can think of a hundred reasons why the NID might want Major Carter, but I swear to you I don't know where she is or why she was taken. Why don't you ask the NID?

10.58.29 O'NEILL- Gee, thanks, I hadn't thought of that.

11.03.11 MAYBOURNE- Try user 4574.

11.06.19 O'NEILL- What does that mean?

11.07.18 MAYBOURNE- Wish I could stay and chat.

11.08.29 O'NEILL- Harry, we're talking about Carter here.

11.14.09           MAYBOURNE- I know. I'm sorry, Jack. I really am. But you know how this game is played and the kind of people who play it. You've got to prepare yourself for the possibility that she may not be coming back.

**END OF ACT ONE**

**ACT TWO**

11.36.19           HAMMOND- That's all he said? User 4574. I think we know who that is, Colonel.

11.54.24           ASSISTANT (OS)- (CLEARING HER THROAT) Colonel O'Neill is still waiting, sir.

11.58.07           SIMMONS- I know.

11.59.14           ASSISTANT- Look, I'm sorry to bother you again. It's just he's getting a little--

12.02.19           O'NEILL- Pissed is the word.

O'NEILL (OS CONT)- It happens when you keep...

O'NEILL (CONT)- someone waiting two hours.

12.10.01           SIMMONS- Well, welcome to the Pentagon, Colonel. Thank you, Dolores. You have to forgive me. I have a lot on my plate at the moment.

12.20.10 O'NEILL- Yeah, it's just someone's life at stake here. Sorry to take you away from your turkey sandwich.

12.25.17 SIMMONS- It was a ham and cheese, actually. And I'm the one who's sorry because obviously you wasted a trip to Washington.

12.31.27 O'NEILL- I don't think so.

12.35.02 SIMMONS- You know, I was, uh, just recently reading about Major Carter's disappearance. I couldn't help but wonder whether glowing aliens had something to do with it.

12.44.26 O'NEILL- Look, Simmons, I don't expect you just to tell me what's going on.

O'NEILL (OS CONT)- But I guarantee you this trip will not be a waste.

O'NEILL (CONT)- If I have to, I'll spend the rest of my life in this building getting to the bottom of all this and how it ties to you.

12.58.12 SIMMONS- Why are you so convinced I have something to do with this?

13.01.14 O'NEILL- A reliable source told me.

13.06.09 SIMMONS- I think I know who you're referring to, Colonel. And are you telling me that you're trusting a convicted traitor?

- 13.11.24 O'NEILL- More than you at the moment.
- 13.13.27 SIMMONS- Look, your opinion of me and this organization has been tainted by the actions of the very man you're talking about.
- 13.21.11 O'NEILL- I doubt very much he was acting alone.
- 13.24.03 SIMMONS- The NID is a legitimate organization financed by this government, which has been duly elected by the people of this country.
- 13.31.26 O'NEILL- Damn that has a familiar ring to it.
- 13.33.24 SIMMONS- Our mandate is clear, Colonel.
- 13.35.21 O'NEILL- I'm a simple man, explain it to me.
- 13.41.06 SIMMONS- We provide vital civilian oversight of top-secret military operations.
- 13.47.10 O'NEILL- Yeah, and who watches over you?
- 13.53.27 SIMMONS- We're not unaccountable, Colonel. And I admit, there've been some minor indiscretions in that past perpetrated by a few renegade individuals. But they've been exposed and they will be brought to justice. With or without your help.

- 14.05.26 O'NEILL- Maybourne is pointing a finger at you.
- 14.08.05 SIMMONS- Yeah? Well, has it ever occurred to you that maybe Maybourne is trying  
to mask his own involvement?
- 14.13.20 O'NEILL- I'd need some convincing.
- 14.15.04 SIMMONS (OS)- Well, we recently traced a...  
SIMMONS (CONT)- deposit made into one of Maybourne's offshore bank accounts.  
SIMMONS (OS CONT)- The transfer took place with a numbered company...  
SIMMONS (CONT)- on the Cayman Islands.
- 14.26.01 O'NEILL- Three million dollars?
- 14.28.19 SIMMONS- Yeah. Makes you kind of wonder what he did to earn that kind of...  
SIMMONS (OS CONT)- money.  
SIMMONS (CONT)- Doesn't it?
- 15.14.11 DANIEL- The holding company that paid Maybourne is a subsidiary of a multinational  
corporation called Zetatron Industries.
- 15.19.15 HAMMOND- That sounds familiar.

15.20.24 DANIEL- It's run by a man named Adrian Conrad. He made a couple hundred million in something called, um, fiber optic host channel adapters, and then had the good...

DANIEL (OS CONT)- sense to diversify before the tech market bottomed out. Now he's in everything...

DANIEL (CONT)- from shipyards to sportswear factories.

15.36.26 TEAL'C (OS)- What is...

TEAL'C (CONT)- this connection to Maybourne?

15.39.10 DANIEL- Well, isn't it pretty common for ex-spies to sell information to the private sector?

15.42.22 HAMMOND- We know he's had access to extensive files on the SGC including every member of SG-1.

15.48.22 DANIEL (OS)- Well, the interesting thing is that Adrian Conrad hasn't been seen in public in over...

DANIEL (CONT)- six months. His last appearance was a live video feed from their head office in Seattle to a Zetatron stockholders meeting.

15.58.10 O'NEILL- Really not much to go on.

- 16.00.14 DANIEL (OS)- The only...  
DANIEL (CONT)- other thing I can tell you is who authorized the payment.  
DANIEL (OS CONT)- Her name is Diana Mendez.  
DANIEL (CONT)- She was Conrad's assistant and the last person known...  
DANIEL (OS CONT)- to have seen him.
- 16.17.17 MAYBOURNE (OS)- Working late?
- 16.20.11 DIANA- How did you get in here?
- 16.21.23 MAYBOURNE- Well, the ability to sneak around was an important prerequisite of my  
former occupation.
- 16.26.25 DIANA- What do you want?
- 16.30.09 MAYBOURNE- To know about the disappearance of an Air Force Major.
- 16.33.00 DIANA- I have no idea what you're talking about.
- 16.35.02 MAYBOURNE- Then maybe I should talk to your boss.
- 16.37.09 DIANA- He's unavailable.

16.40.21           MAYBOURNE- You know, the other prerequisite of my former occupation was an absence of moral conscience. It really gives you the freedom to do whatever you have to...

MAYBOURNE (OS CONT)- do.

16.58.10           DIANA- Threatening me doesn't change what I know.

17.00.15           MAYBOURNE- This Major disappeared right after we closed our deal. I have very good reasons to believe it wasn't a coincidence.

17.05.27           DIANA- I'm sure Adrian wouldn't be involved in anything like that.

17.09.00           MAYBOURNE- Oh. Did he tell you what you were buying for him?

17.16.12           DIANA- Something valued at ten million dollars by a renegade faction of Russian military intelligence, less your cut of course.

17.24.04           MAYBOURNE- Oh, well.

17.25.15           DIANA- I don't know what it was exactly.

17.27.11           MAYBOURNE- I'm surprised. I thought you two had a very close working relationship.

17.35.25           DIANA- I do my job, and I don't ask questions.

17.39.07           MAYBOURNE- What if I told you it was enough uranium to fuel a terrorist nuke? Just how far would your loyalty go then?

17.45.27           DIANA- You're lying.

17.47.09           MAYBOURNE- Maybe.

17.49.08           DIANA- You made your deposit and you got paid. As far as I'm concerned, our association is finished.

18.20.14           O'NEILL- Harry.

18.21.05           MAYBOURNE- Jesus, Jack, you're stealing my routine.

18.24.15           O'NEILL- Consider it an homage.

18.26.27           MAYBOURNE- What's up, Jack? I thought we trusted each other.

18.29.14           O'NEILL- You lied to me. Get in.

- 19.10.21 DOCTOR #1- Hello again, Major Carter. If you don't mind, I'd like to ask you a few questions. I don't know if I mentioned what a thrill this is for me. I mean, I wish we didn't have to do it under these conditions, but given the circumstances...You're a very unique individual. You may well hold the key to the future of medical science.
- 19.52.16 CARTER- You've made a big mistake.
- 19.55.21 DOCTOR #1- We know what happened to you. We know that you were the host of an alien symbiote.
- 20.00.18 CARTER- I'm a physicist.  
CARTER (OS CONT)- I study deep space radar telemetry.
- 20.10.24 DOCTOR #1- Please, Major, don't waste my time with that ridiculous cover story. Tell me what you can about the symbiote.
- 20.27.05 DOCTOR #2- She's never gonna talk.
- 20.29.02 DIANA- What about the tests?
- 20.30.04 DOCTOR #2- We have a couple of leads, but nothing definite yet.
- 20.33.10 DIANA- We're running out of time.

20.34.20 DOCTOR #2- I know. We may have to move the implantation ahead of schedule.

**END OF ACT TWO**

**ACT THREE**

20.53.29 MAYBOURNE- Technically I didn't lie. I said I didn't know where Carter was or why she was taken.

20.59.19 O'NEILL- What was the three million dollars for?

21.02.20 MAYBOURNE- I acquired a piece of merchandise from the Russians and sold it to Zetatron.

21.07.02 O'NEILL- What?

21.09.23 MAYBOURNE- A symbiote.

21.10.24 O'NEILL- What?

21.11.26 MAYBOURNE- On their second mission, back when their gate was active, the Russians ran into a group of Jaffa.

21.16.17 O'NEILL- I read that report.

21.18.00 MAYBOURNE- What the report didn't say was that the Russians managed to take one of the Jaffa alive. They've held him in custody ever since.

21.25.03 O'NEILL- Man, you gotta love those guys.

21.27.17 MAYBOURNE- The Russians or the Jaffa?

21.29.03 O'NEILL- Both, actually.

21.32.02 MAYBOURNE- Apparently, the symbiote was reaching maturity. I don't know what the Russians had planned. I assumed Zetatron wanted it for their biotech division.

21.38.28 O'NEILL- So why kidnap Carter?

21.41.25 MAYBOURNE- Carter once had a symbiote inside her, and lived to talk about it.

21.47.02 O'NEILL- How do they know that?

21.48.16 MAYBOURNE- I don't know. I also don't know how they found out about me and my connections.

MAYBOURNE (OS CONT)- But when people offer you three million dollars, you don't ask too many questions.

21.58.13 O'NEILL- Why not?

22.00.04 MAYBOURNE- Believe me, Jack, I never thought it was gonna come to this.

22.03.03 O'NEILL- What did you think was gonna happen?

22.05.10 MAYBOURNE- In the right hands a symbiote could lead to all kinds of medical breakthroughs.

22.08.21 O'NEILL- What, you're a humanitarian now?

22.13.13 MAYBOURNE- Gonna turn me in?

22.16.04 O'NEILL- Actually, that overwhelming desire to shoot you has come back.

22.21.18 MAYBOURNE- But you still need me, Jack.

22.23.05 O'NEILL- Why?

22.24.13 MAYBOURNE- Because I know the name of the doctor who took delivery of the symbiote. You know, we make a pretty good team, Jack.

23.15.24. O'NEILL- Shut up.

23.17.17 MAYBOURNE- I'm just saying if you ever get tired of the SGC, we could make more money than you've ever dreamed of.

23.21.29 O'NEILL- Hey, G. Gordon, don't give me another reason to shoot you, alright?

23.33.06 MAYBOURNE- I'm in. Adrian Conrad's medical file.

23.49.24 FRAISER (OS)- It would appear Adrian Conrad is in the late stages of an extremely rare disorder...

FRAISER (CONT)- known as Burchardt's Syndrome. It's a condition that affects the immune system, leaving the body vulnerable to a host of diseases.

FRAISER (OS CONT)- And...

FRAISER (CONT)- there's no known cure.

24.02.29 TEAL'C- Except the healing powers of a Goa'uld symbiote.

24.05.00 DANIEL- The only way that would work would be through implantation.

24.07.07 FRAISER- Well, they may be studying the symbiote, trying to isolate and artificially reproduce it's healing properties.

24.11.22 TEAL'C- Major Carter's experience with Jolinar would make her a valuable source...

TEAL'C (OS CONT)- of information.

24.16.24 HAMMOND- What are their chances of success?

24.18.25 FRAISER- Well, obviously we've been researching this for some time, sir. Even with unlimited resources, I would be greatly surprised if they came up with the answers quickly. And if they're trying to save this man's life, they're running out of time.

24.30.03 HAMMOND- How do we find him?

24.31.20 FRAISER- Given his condition, he would require constant medical supervision.  
FRAISER (OS CONT)- He must be in some kind of a hospital or a well-equipped facility.

24.38.26 DANIEL- St. Something.

DANIEL (OS CONT)- When I was checking out the holdings of that numbered company...

DANIEL (CONT)- St. Christina's. It's a hospital in the suburbs of Seattle that's been shut down for a couple years.

24.55.24 HAMMOND- I'll contact the local authorities. You and Teal'c...

HAMMOND (OS CONT)- can meet Colonel O'Neill there. A jet will be prepped and ready...

HAMMOND (CONT)- to go by the time you get to the airport.

25.32.08 DOCTOR #2- Security...Major Carter's missing. She can't have gotten far.

25.37.10 CARTER- (BREATHING HEAVILY)  
CARTER (OS CONT)- (BREATHING HEAVILY)  
CARTER (CONT)- (BREATHING HEAVILY)

25.52.14 GUARD #1- (GROANING IN PAIN)

26.10.23 ADRIAN- The exits...  
ADRIAN (OS CONT)- are sealed, Major.

26.14.27 CARTER- Who are you? What the hell am I doing here?

26.18.00 ADRIAN- My name is Adrian Conrad. You're here because of me.

26.26.11 CARTER- Back off or I shoot him.

26.29.10 ADRIAN- Go ahead. If I let you go, I'm dead anyway.  
ADRIAN (OS CONT)- Please, Major Carter, if you put the gun down...  
ADRIAN (CONT)- there's a very good chance we can both live.  
ADRIAN (CONT)- (GASPING)

26.52.01 CARTER- (SIGHING)

**END OF ACT THREE**

**ACT FOUR**

26.56.12 CARTER- (BREATHING HEAVILY, STRUGGLING)

27.17.08 ADRIAN- (COUGHING) I'm sorry about this, Major. (COUGHING) But I've run out of options.

27.27.24 CARTER- What now?

27.29.12 ADRIAN- My immune system has been destroyed. The damage is (COUGHING) irreversible.

27.32.24 CARTER- I don't care what's wrong with you. Nothing gives you the right--

27.34.23 ADRIAN (OS)- The human race has...

ADRIAN (CONT)- progressed to where we are today because of men who broke the rules (GASPING) and risked everything.

ADRIAN (OS CONT)- Most often because they had no choice. (GASPING) The only thing...

ADRIAN (CONT)- that can save me is an alien symbiote.

ADRIAN (OS CONT)- You call them Goa'ulds.

27.50.21 CARTER- How do you know about that?

- 27.52.10 ADRIAN- We know about the Stargate, everything.
- 27.55.18 CARTER- Well, then you must also know that a symbiote would leave you a prisoner  
inside your own body.
- 28.00.04 DOCTOR #2- That's why we're working on a way to have it removed.
- 28.03.08 DOCTOR #1- And you're the key to that.
- 28.04.15 CARTER- It's beyond our current medical science.
- 28.06.24 DOCTOR #2- You survived your encounter with the alien Jolinar.
- 28.11.04 CARTER- That was different. The symbiote made a conscious choice.
- 28.14.16 DOCTOR #2 (OS)- Maybe so, but the process you went through could provide us...  
DOCTOR #2 (CONT)- with the answers we're looking for.
- 28.19.12 DOCTOR #1- You can't deny being able to extract a symbiote from a human host  
would be a monumental breakthrough.
- 28.25.16 CARTER- A lot of very smart people have been working toward that end already.

28.29.00 ADRIAN- Maybe they aren't quite desperate enough.

ADRIAN (CONT)- (GASPING AND COUGHING)

ADRIAN (OS CONT)- (GASPING AND COUGHING)

28.33.16 DOCTOR #2- Mr. Conrad.

28.34.29 ADRIAN- (GASPING)

ADRIAN (OS CONT)- (GASPING)

ADRIAN (CONT)- (GASPING)

29.06.07 DOCTOR #2- Pulse is weak, blood pressure's dropping.

29.09.15 DOCTOR #1- We're running out of time.

29.10.14 ADRIAN- (GASPING)

29.12.07 DOCTOR #1- We're gonna have to proceed with the implantation.

29.14.05 DIANA- You can't. We put that thing inside him, we may never get it out.

29.18.00 DOCTOR #1- We'll find a way.

29.19.01 DIANA- Even if you do, you don't know if the healing process will have a lasting effect.

29.22.02 DOCTOR #2- We're reasonably sure once the symbiote cures the disease...

29.25.08 ADRIAN (OS)- (GASPING)

ADRIAN (CONT)- Diana. (GASPING) It's okay.

29.35.08 DIANA- Adrian, you can't do this. Please...

29.38.24 ADRIAN- It's my only chance.

ADRIAN (OS CONT)- (BREATHING HEAVILY)

29.45.00 DOCTOR #2 (OS)- We're going...

DOCTOR #2 (CONT)- to have to restrain him.

30.09.28 O'NEILL- Cover the exits. Wait for my signal. And somebody watch that guy.

30.12.28 MAYBOURNE- Come on, Jack, this is my fault. Let me try and help fix it.

30.17.27 O'NEILL- Fine, grab a vest. You're with me.

30.20.26 MAYBOURNE- Can I have my gun back?

30.21.23 O'NEILL- Go. No. Daniel, Teal'c, take the front entrance.

- 30.32.24           ADRIAN (OS)- (GASPING)  
ADRIAN (CONT)- (GASPING)  
ADRIAN (OS CONT)- (GASPING)  
ADRIAN (CONT)- (GASPING)
- 30.50.09           DOCTOR #2 (OS)- BP stabilizing.  
DOCTOR #2 (CONT)- Vitals returning to normal.
- 30.55.10           DOCTOR #1- Incredible.
- 31.01.22           ADRIAN- Diana.
- 31.06.15           DIANA- How do you feel?
- 31.08.05           ADRIAN- The pain is...is gone. (GIVING A LITTLE LAUGH)
- 31.14.09           DOCTOR #1- We're going to need to run a full set of tests.
- 31.20.00           DIANA- How long?
- 31.22.08           DOCTOR #1- For what?
- 31.27.20           DIANA (OS)- You said you'd find a way to get it out of him. How long are you planning  
to leave him this way?

- 31.32.03 DOCTOR #1- We don't even know what kind of effect it's--
- 31.33.14 DIANA- I don't give a damn. Get that thing out of him.
- 31.36.13 DOCTOR #2- We have a bit of a problem in that area.
- 31.39.14 DIANA- What are you talking about?
- 31.41.07 DOCTOR #1 (OS)- Major Carter's test results...  
DOCTOR #1 (CONT)- clearly indicate that she holds the key to a safe extraction  
process.
- 31.46.20 DIANA- That's good.
- 31.47.23 DOCTOR #2- Unfortunately, we know just enough to know that the answers are there.  
We just can't get them.
- 31.54.01 DIANA- Why not?
- 31.55.24 DOCTOR #1- Because Adrian didn't approve the method that's ultimately necessary.
- 32.00.12 DIANA- What does that mean?
- 32.02.20 DOCTOR #2- It would require direct examination of her brain tissue.

- 32.15.11           DIANA- Do whatever it takes.
- 32.35.16           DANIEL- (GROANING IN PAIN)
- 32.36.25           GUARD #2- Can I help you?
- 32.37.11           DANIEL- Yeah, I need to see a doctor. I think I just electrocuted myself.
- 32.39.27           GUARD #2- You're going to have to go somewhere else.
- 32.41.20           DANIEL- I have insurance.
- 32.46.29           GUARD #2- This hospital is closed.
- 32.48.14           DANIEL- I said I think I just electrocuted myself. Do you have any idea what that feels  
                          like?
- 32.52.01           GUARD #2- No.  
                          GUARD #2 (CONT)- (GROANING IN PAIN)
- 32.55.17           OTHER GUARD- (GROANING IN PAIN)
- 32.57.29           DANIEL- Something like that.

33.12.09 GUARD #3- Freeze! Who are you? What are you doing here?

GUARD #3 (CONT)- (GROANING IN PAIN)

33.25.11 O'NEILL- Ah! Ah!

33.27.04 MAYBOURNE- You want me to watch your back or not?

33.37.23 O'NEILL (OS)- Hey!

33.39.05 ADRIAN- I know this has been hard on you, Diana. I'm sorry.

33.43.22 DIANA- I just want you to get better.

33.45.12 ADRIAN- I am better. I can feel it. If you just let me out of these restraints I could  
show you.

32.54.10 DIANA- I can't do that.

33.55.18 ADRIAN- I've been cooped up in hospitals for the last six months. All I want to do is  
go outside and breathe some fresh air.

34.02.10 DIANA- But you have that thing inside you.

- 34.04.11           ADRIAN- It's not controlling me. I'm controlling it. Can't you tell?  
ADRIAN (OS CONT)- Diana, please. They don't have to kill Major Carter.  
ADRIAN (CONT)- I'm fine. Everything's going to be okay.
- 34.17.24           DIANA- I wish I could believe you.
- 34.19.21           ADRIAN (OS)- Look at me.  
ADRIAN (CONT)- You know me better than anyone in the whole world. I did this for  
                          you.  
ADRIAN (OS CONT)- So we could be together.  
ADRIAN (CONT)- Just let one hand go so I can touch your face.
- 35.05.20           CARTER- What's happening?  
CARTER (OS CONT)- What are you doing?  
CARTER (CONT)- What are you doing? (STRUGGLING) You're going to kill me.
- 35.16.24           DOCTOR #2- We'll be saving millions of lives.
- 35.18.12           CARTER- (STRUGGLING)
- 35.20.05           O'NEILL- Hold it! Drop it right now! Don't even fool around. Put it down.
- 35.26.21           MAYBOURNE (OS)- Over here.  
MAYBOURNE (OS)- And face the wall.

35.30.28 O'NEILL- You all right?

35.33.10 CARTER- Yeah. Very dramatic. Thank you.

35.36.10 O'NEILL- You bet.

35.38.02 CARTER- Key for the cuffs are in his pocket.

CARTER (CONT)- (SIGHING)

35.48.04 O'NEILL- Daniel, we got Carter. She's okay.

35.50.20 DANIEL- That's good. I think we have another problem, though.

#### END OF ACT FOUR

#### ACT FIVE

36.07.10 CARTER- They put it...

CARTER (OS CONT)- in Adrian Conrad...

CARTER (CONT)- to cure him. They thought they could use me to find a way to  
remove it.

36.11.28 O'NEILL- Good to go?

- 36.12.25 CARTER- Yes, sir.
- 36.17.13 O'NEILL- Uh, why don't you stay here and watch these guys?
- 36.22.06 MAYBOURNE- That's fine.
- 36.25.24 O'NEILL- You'll be here when I get back, right?
- 36.28.05 MAYBOURNE- Oh, yes, Jack.
- 36.43.25 O'NEILL- Daniel, Teal'c, take the upper levels. Where you going?
- 39.53.08 ADRIAN/GOA'ULD (IN GOA'ULD VOICE)- Shoot me and you'll kill the host.
- 39.56.13 O'NEILL- Don't make me.  
O'NEILL (CONT)- (GROANING IN PAIN)  
O'NEILL (OS CONT)- (GROANING IN PAIN)
- 40.08.20 SIMMONS- You want to live, you come with me.
- 41.01.11 CARTER- Man down. Colonel O'Neill's been shot. This is Major Carter. I'm in the  
boiler room. Repeat, Colonel O'Neill has been shot. We need an ambulance,  
now.

41.11.20 O'NEILL- (GROANING)

41.13.26 CARTER- Sir, are you okay?

41.17.23 O'NEILL- I've been shot, Carter.

41.19.27 CARTER- I know. Your vest stopped one of the bullets.

41.22.28 O'NEILL- I want sleeves on my vest.

41.25.18 CARTER- You're going to be fine. Help's on the way.

41.28.15 O'NEILL- I'm not kidding. They should put sleeves on these things.

41.32.09 CARTER- Did you see who shot you?

41.33.24 O'NEILL- No.

41.35.22 CARTER- Hang in there, sir.

41.41.23 O'NEILL- I can't believe the son of a bitch shot me.

41.44.27 CARTER- Well, we don't know for sure that it was Maybourne.

41.47.13 HAMMOND- We also don't know how Maybourne and Adrian Conrad got by the men surrounding the hospital. However, the local authorities have admitted they may have dropped the ball.

41.56.15 O'NEILL- May? May have?

41.58.20 HAMMOND- The FBI and Interpol have been alerted. Unfortunately, we can't tell them everything.

42.03.01 CARTER- Bottom line is, there's a Goa'uld out there somewhere.

42.27.01 ADRIAN/GOA'ULD (IN GOA'ULD VOICE)- I expect better treatment than this.

42.29.15 SIMMONS- Well, right now you have no choice. But once you start delivering on your end of our little bargain, I might be able to move you to better accommodations.

42.38.28 ADRIAN/GOA'ULD (IN GOA'ULD VOICE)- You cannot offer anything of equal value to the knowledge I possess.

42.45.04 SIMMONS- I'm not so sure about that.

**FADE TO BLACK. BEGIN END CREDITS.**
